

Parish & Town Councils
District of South Norfolk

Friday 6th May 2022

Dear Clerk

**Anti-social Behaviour, Crime and Policing Act 2014
Proposed a Public Space Protection Order: South Norfolk**

I am writing to consult you on a proposal to re-make a Public Space Protection Order (PSPO) under the Anti-social Behaviour, Crime and Policing Act 2014 as required by the Act.

The PSPO will cover the administrative district of South Norfolk and will require the person in control of a dog to clean up after it fouls and this applies to everyone.

Our existing PSPO covers the administrative district of South Norfolk and requires the person in control of a dog to clean up after it fouls and this applies to everyone.

Further it will exclude dogs from enclosed children's play areas (i.e., those enclosed by a fence) in South Norfolk that are open to the air. There is an exemption for those who are reliant on assistance dogs.

A copy of the proposed PSPO is attached to the email for your information and I would welcome any comments your Council wishes to make by the 17th June 2022.

Yours sincerely

Teri Munro
